

Israel Tax Authority

Public Tender No. 1/2016 for the planning and construction of a site at the Jordan River Crossing for the manufacture, supply and installation of a system for screening the containers and the subsystems, and for maintenance of the system for screening containers and the subsystems using the TKP (turn-key project) method, for a period of up to 10 years after the one-year warranty period ends.

The Israel Tax Authority hereby announces postponements in dated of Tender No. 1/2016.

The new deadline for presenting the bid is as follows: September 7, 2016 at 12 noon.

It is hereby emphasized that there are no changes in the other paragraphs of the agreement and/or the tender documents.
