**Re: Tender 78/2014 - Supply of multi-threat body armor for patrol officers**

**Update no. 7**

**I would like to update the above tender:**

- 1. Other examples can be submitted from the prototype that meets the defined specifications of the protection area that are specified in the specifications and in accordance with section 1.3 in the specifications 5/2014.**
- 2. Further to what's written in section 4.3.1 in the specifications 5/2014, if there is a problem in producing samples in sizes M and S with rows of PALS as defined in the specification drawings, similar examples can be submitted in their shape of the prototype, with subtracting line from PALS (in the front and / or rear), If all this does not violate the protection area.**
- 3. All other details of the tender did not change.**
- 4. As a reminder the deadline date is Tuesday, January 27 .2015 at 14:00.**

**Sincerely,**

**Roe Ikin**
