Ordering information for Passport Advantage

Passport Advantage allows you to have a common anniversary date Software Subscription and Support (SW S&S) renewals, which can simplify management and budgeting for eligible new versions and releases (and related technical support) for your covered products. The anniversary date, established at the start of your Passport Advantage Agreement, will remain unchanged while your Passport Advantage Agreement remains in effect. New software purchases will initially include twelve full months of SW S&S. SW S&S in the second year (the first year of renewal) can be prorated to be coterminous with your common anniversary date. Thereafter, all SW S&S will renew at the common anniversary date for twelve full months of SW S&S.

Refer to the IBM International Passport Advantage Agreement and to the IBM Software Support Handbook for specific terms relating to, and a more complete description of, technical support provided through Software Subscription and Support (Software Maintenance).

The quantity to be specified for the Passport Advantage part numbers in the following table is per required number of Per Authorized User, and Per Managed Client Device. To order for Passport Advantage, specify the desired part number and quantity.

הי גלית

לשאלתך, אורך הרישיון לשירות של לטמובייל הוא שנה, ואין אפשרות להזמין רישיון לזמן קצר יותר. לחילופין, ניתן להזמין רישיון קבוע ללא הגבלת זמן.

בברכה,

דרור
