Israel Tax Authority

International Public Tender No. 11/2019 for the Design and Construction of a Temporary and Continuous Site for Vehicle Inspection at the Begin Border Crossing using the turnkey project (TKP) method including, manufacturing, supplying, and installing a vehicle x-ray system, with an option for additional sites and / or up to 10 years of system maintenance from the end of the warranty year (hereinafter: the "tender").

The Israeli Tax Authority announces the following changes to the tender documents:

1. In the place mentioned in Section 8 of Chapter 1.5, titled "Special Threshold Conditions" in the tender documents:

8. Proposed X-Ray System -

The bidder's proposed x-ray system will meet the following minimum performance levels:

- A. Permeability of at least 160 mm steel, at three locations minimum
- B. 6% maximum resolution, behind 100 mm steel and 2.5% behind 200 mm steel in at least three locations.
- C. The system will show the vehicle without the driver and passengers using only x-ray radiation from a top vertical radiation source.
- D. The intensity of the radiation source will be at least 1MEV.
- E. X-ray rate of at least 24 vehicles per hour.
- F. At least 95% system availability per month
- G. Compliance with all Israeli law.
- H. Ability to operate the system through 2 operators on behalf of the Principal.

The remainder of Section 8 in Chapter 1.5, titled "Special Threshold Conditions" in the tender documents, will remain in effect.

The said amendment also refers to Appendix 2 of the Contractual Agreement, the engineering specification (SOW Appendix) in Chapter 5.

2. In Section 5.6 - the second stage of the bidding review, in Chapter 1.6, titled "General Conditions" for the tender documents, criterion No. 6, titled: "Radiography of the proposed x-

ray system," with the full stop following the requirement: "... and automatic decoding capability".... as well as "ability to separate materials"..."

The remainder of Section 5.6 in Chapter 1.6, titled "General Terms" of the tender documents, will remain in effect.

3. In the event and in light of the amendment of the threshold conditions, a bidder who did not attend the vendors' conference and now wishes to attend the conference, should contact fax number 02-6668252 or e-mail Ruths@taxes.gov.il and request another suppliers tour by September 8, 2019 at 12:00. It is hereby clarified that **participation in the suppliers tour is mandatory, bidders and / or agents in Israel who will not participate in said tour, will have their proposal disqualified.**

4. Change in deadlines for the tender as follows:

Activity	Due
Deadline for clarification questions	10.9.2019 at 3 p.m.
Deadline for answering clarification questions	19.9.2019
Deadline for submitting bids to the tenders box	24.10.2019 at 12:00 pm

For the record, it is clarified that there is no change in the other clauses of the agreement and / or tender documents.
