No.	Pre-Qualification Document	Section	Subject	Clarification/Question	
1.	Invitation for Pre-Qualification	3.5.5	Diplomatic Relations with the State of Israel	Q:	Reference is made to the Tender Committee's response to Clarifications and Addendum 13, question 2, whereby the Tender Committee approved the participation of "an Entity holding 51% of the Means of Control of a Participating Entity, whose registered offices is in the UAE." The Participant wishes to reiterate that the Entity in question now holds 60% of the Means of Control of a Participating Entity, and requests that the Tender Committee reaffirm its approval of the aforementioned Entity.
				A:	The Tender Committee reiterates its approval for the participation of the applicable Participating Entity.
2.	Invitation for Pre-Qualification	4.2 4.3 4.4	Minimum Standards	Q:	Further to the amendments made to the Professional Pre-Qualifications Requirements, which allows Experience Providers to present WtE Plants which comply with the Minimum Standards, the Tender Committee is requested to amend Section 12 of Attachment A to Pre-Qualification Forms 4 – 6 (flue gas emission levels) so as to enable Chinese companies to demonstrate WtE Plants which comply with the GB 18485-2014 Standard (the standard that applies to WtE Plants in China under the Chinese Law). In this context, it should be noted that the operational flue gas emission levels required in Section 12 of Attachment A are stricter than European Standard EU 2010/75/EU.
				A:	The Tender Committee rejects the request.
