Clarification No.	Pre-Qualification Document	Section	Subject	Clarification/Question	
1.	Invitation for Pre-Qualification	4.3	Experience as Equipment Supplier of Grates for WtE Plants – Design Availability	Q:	The Tender Committee is requested to confirm that where the contract of the referenced WtE Plant does not explicitly state the Design Availability of the WtE Plant, and the WtE Plant is designed to be available on a 24/7 basis (8,760 yearly operating hours), the requirement for a Design Availability of not less than 7,800 hours per year can be demonstrated if such referenced WtE Plant's maximum permitted unscheduled shutdown hours under the contract does not exceed 960 yearly hours.
				A:	The Tender Committee confirms as requested.
2.	Invitation for Pre-Qualification	4.3	Experience as Equipment Supplier of Grates for WtE Plants – Annual Treatment Capability	Q:	Reference is made to the Annual Treatment Availability of not less than 200,000 tons of MSW/year for the purpose of demonstrating the Equipment Supplier's experience in supply of Grates for WtE Plants. The Tender Committee is requested to confirm that there is no requirement or limitation regarding the number of combustion lines in the referenced WtE Plant.
				A:	The Tender Committee so confirms. In this respect, Participants are also referred to the definition of "Annual Treatment Capability", which takes into account the number of combustion lines included in the WtE Plant.

Clarification No.	Pre-Qualification Document	Section	Subject	Clarification/Question	
3.	Invitation for Pre-Qualification	4.2	Experience in Design, Installation and Testing of a WtE Segment	Q:	The Tender Committee is requested to amend the Invitation so that the experience requirements set forth in Sections 4.2(a) and 4.2(b) can be fulfilled by two separate Experience Providers, provided such two Experience Providers are committed to the same one Participant.
				A:	The Tender Committee rejects the request. The experience required under Sections 4.2(a) and 4.2(b) must be demonstrated by one single Experience Provider.
4.	Invitation for Pre-Qualification	1.1	Definition of "Equipment Supplier"	Q:	The Tender Committee is requested to amend the definition of "Equipment Supplier" so as to include on-site supervision by an entity over the installation and testing of its equipment by another entity.
				A:	The Tender Committee accepts the request. The definition of "Equipment Supplier" shall be amended to read as follows: <i>"Shall mean the design, supply, installation and testing on site of certain equipment, <u>provided, however, that for purposes of this definition, on-site supervision over the installation and/or testing of certain equipment shall be deemed as installation and/or testing (as applicable) on site of such certain equipment.</u>"</i>
