To whom it may concern

Re: Ness A.T. Ltd. – SAP Partner

We hereby confirm that Ness A.T. Ltd. (“Ness”) is an SAP Sybase Distributor Partner.

In accordance with an agreement between the parties, Ness is an authorized reseller of SAP Sybase products to the Israeli market, and authorized to provide first line support for this Software in Israel. Ness is currently the only SAP reseller in Israel that provides first line support for the said software.

A handwritten signature in black ink, appearing to read 'Glen Bogan'.
