Subject: Confirmation letter of NESS official business relationship

We would like to confirm that NESS is the only authorized and certified EMC CMA partner in Israel for the EMC CMA products portfolio included Digital Assets Management solution.

Ness is certified and authorized to resell the technology in Israel and to conduct and deliver project on EMC CMA technology.

Since 2005 all the delivered projects and licenses transactions made in Israel has been done only through NESS PRO.

EMC supports NESS on regular basis in order to ensure high quality and successful project delivery.

Best Regards

Enea Stucchi
