The Geological Survey of Israel**

**Public Tender No. 3/2015 for the Procurement,
Deployment, Installation and Maintenance of a
Turnkey Real Time Seismic Network with Earthquake
Early Warning Compatibility (the "Tender")**

**Notice of Change in the Financial Threshold
Requirements**

The Tender Committee hereby informs all participants in Tender 3/2015 that the financial Threshold Requirements stated in Sub-Clause 3.8 of the ITB have changed, and shall be as follows:

The Bidder is required to have a weighted annual turnover, according to its Financial Statements, of at least 70,000,000 NIS (seventy million New Israeli Shekels) (or the equivalent thereof) for fiscal years 2012, 2013 and 2014.

All other Threshold Requirements remain unchanged.

Details regarding calculation of the weighted annual turnover, as well as the Bidders' option to rely on a Guarantor, can be found in the updated Tender Documents, which shall be published on GSI's website at www.gsi.gov.il
