June 9, 2020

All Participants

Re: **Invitation for Pre-Qualification for a Tender for the Finance, Design, Construction, Operation, Maintenance and Transfer of a Solar PV Power Plant issued on January 22, 2020 (the "Invitation")**

Sand Mining and Quarrying Works

Capitalized terms used and not otherwise defined herein shall have the meaning ascribed to them in the Invitation.

The Participants are advised that pursuant to the National Infrastructure Scheme no. 82 ("TATAL 82") sand mining and quarrying works may be performed in a designated area of approximately 600 dunam ("**Designated Area**").

The Participants are hereby notified that the scope of works of the Successful Bidder may include, *inter alia*, the following sand mining and quarrying works at the Designated Area, all of which shall be performed pursuant and subject to, *inter alia*, TATAL 82 : excavation works, removal of sand and other materials from the Designated Area and the sale and/or reuse of the sand and other materials from the Designated Area.

For the removal of doubt, the above is only a general and rudimentary description. The actual scope of works of the Successful Bidder, and the applicable requirements and conditions for executing the sand mining and quarrying works, shall be detailed in the Tender Process Documents.

Please acknowledge receipt of this notice in writing by no later than two (2) Business Days following receipt thereof, via the following email address: dimonaPV@inbal.co.il.

Respectfully Yours,
