To whom it may concern

Re: Ness A.T. Ltd. – NessPro - SAP ASE Partner

We hereby confirm that Ness A.T. Ltd. (“Ness”) is an SAP Adaptive Server Platform (ASE/Sybase) Partner under the SAP PartnerEdge partner program.

In accordance with the agreement with SAP , Ness is an authorized reseller of SAP ASE Software products to the Israeli market, and authorized to provide first line support for this Software in Israel. Ness is currently the only SAP reseller in Israel that provides first line support for the said Software.

A handwritten signature in black ink, appearing to read 'Glen Bogan'.
