AUTHORIZATION OF DISTRIBUTION OF OTT HYDROMET PRODUCTS

OTT Hydromet GmbH ("OTT"), located at Ludwigstr. 16, Kempten, Germany, manufacturer of complete hydrometric systems and sensor technology, authorizes Meteo-Tech Meteorological Services as its sole distributor in Israel for the following clients and services:

- Israeli Hydrological Service, water level sensor, recorders and current meters

The product brands included in this authorization are:

- OTT: Hydrology, Meteorology and Water Quality
- Hydrolab: Water Quality

In fulfillment of this authorization, Meteo-Tech Meteorological Services is responsible for:

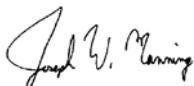

- Delivering and invoicing our equipment
- Ensuring onsite training
- Providing repairs or replacements in the case of warranty issues
- Providing after sale service and the supply of spare parts and consumables
- Proceeding to equipment commissioning by the means of its technicians
- Adhering strictly to all legal requirements of the business, including but not limited to all applicable anti-corruption and fair competition requirements of OTT and of local and international laws

OTT hereby extends our full guarantee and warranty in accordance with OTT Terms and Conditions of Sale at <http://www.ott.com/gtc> which will govern OTT's supply of Goods. OTT will provide its typical commercial and technical support to Meteo-Tech Meteorological Services should this be required for the sale and promotion of the OTT products under its standard Terms and Conditions. Meteo-Tech Meteorological Services may not enter into any agreements in the name of OTT or bind OTT in any way without express consent from OTT.

OTT reserves the right to accept or reject any order, in whole or in part. No order shall be binding upon OTT unless and until accepted by OTT in writing. OTT shall not be liable for any loss or damage arising from its failure to accept any orders of Meteo-Tech Meteorological Services.

Unless revoked, this authorization is valid for a period of one (1) year. This authorization is not transferable to any other persons or entities, and is revocable at OTT's sole discretion. Although no cause is required for revocation, by way of example only, OTT may revoke this authorization immediately in case OTT reasonably suspects that Meteo-Tech Meteorological Services has acted in a manner not consistent with the Code of Conduct that applies to OTT (available at <https://www.danaher.com/how-we-work/integrity-and-compliance>) or any applicable law.

Sincerely,

OTT Hydromet GmbH
