**"Nimbus Project" - Central Tender 01-2022 on the subject of adding services to the government digital marketplace**

**Dates Updates**

In the coming days, the Tender Administrator will publish official answers to the clarification questions and comments that were received, alongside with updated tender documents.

Before the updated documents are to be published, we would like to inform you of some changes made to the tender schedule:

1. Additional bidders' conferences (in Hebrew and English), will be held on the following dates:
  - a. The conference in the **Hebrew** language will take place on September 7, 2022 – at 10:00 (Israel Standard time).
  - b. The conference in the **English** language will take place on September 8, 2022 – at 18:00 (Israel Standard time).
2. Instructions on how to register for the conferences will be published separately.
3. With the publication of the updated tender documents, there will be another, limited, round of clarification questions and comments.  
Instructions regarding this round will be published separately.
4. **The Closing Date of the Tender has been updated and set for November the sixteenth (November 16), 2022 – at 17:00 Israel Standard Time.**

Respectfully,

Nimbus project team
