Date:
17/08/2022

To whom it may concern

Zenitel, as a manufacturer, confirms that Stentofon Israel is currently our only official Vingtor-Stentofon and Zenitel distributor in Israel.

The company has been certified through Zenitel's technical training and has many years of experience in implementing Vingtor-Stentofon and Zenitel systems and solutions.

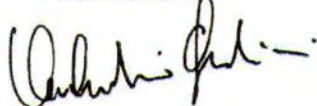

Stentofon Israel Ltd. is also updated on new products and other technical improvements. Zenitel will also support Stentofon Israel Ltd. to ensure high quality delivery.

This certificate is valid till 31/12/2023

- This certificate is valid expressly for "**Ziv Medical Center**" in Israel
- As a standard global condition, Zenitel reserves the rights to make any further change to the current distribution channel of Vingtor-Stentofon and Zenitel products at any time.
