

The State of Israel
The Tender Committee - the "Express Lanes - Highway 5"

**Invitation for Pre-Qualification for the Participation in a Tender for the
"Express Lanes - Highway 5"**

Addendum and Clarification Letter No. 1

1. Pursuant to Sections 3.9 (Requests for Clarification of this Invitation) and 3.10 (Addenda) of the Invitation to Pre-Qualify ("**the Invitation**"), Participants are hereby informed of the Tender Committee ("**TC**") responses to Requests for Clarification and amendments to the Invitation.
2. This Addendum shall constitute an integral part of the Invitation and the Tender Documents.
3. All Capitalized terms used and not defined herein shall have the meaning ascribed to such terms in the Invitation.
4. Please note that The Final date for the submission of Requests for Clarification has been postponed to **January 15th, 2023**, and the Pre-Qualification Submission Date has been postponed to **February 28th, 2023**.
5. In addition, and without derogating of the Participants full responsibility to be aware of all amendments issued by the Tender Committee, whether in this Addendum or any future Addenda, please note that **items 3-5 of Part B below** contain amendments to threshold requirement set forth in Section 5.1 (Civil Engineering Experience) of the Invitation.

Sincerely,

Yuval Raz

Senior Deputy Accountant General,
Chairman of the Tender Committee

Date: October 27th, 2022.

Part A - TC responses to Requests for Clarification (RFC)

RFC No.	RFC	Reference	TC response
1.	<p>The Tender Committee is requested to clarify the following issues regarding the shuttle services:</p> <p>(1) Whether the Concessionaire is in charge of the supply of the buses that will be used within the project;</p> <p>(2) Whether the number and frequency of the shuttle services be determined by the State <i>or</i> is it within the bidder's scope of work to propose.</p> <p>(3) Will the concessionaire's revenue support the operation of the shuttle services free of charge?</p>	Section 1.2 (Project Overview) to the Invitation.	<p>The Tender Committee clarifies that:</p> <p>(1) the Concessionaire shall be responsible to supply the buses for the shuttle services, as part of its scope of work;</p> <p>(2) The number and frequency (as well as additional matters such as the shuttle services destinations within the Metropolitan Area) will be determined by the State within the Tender Documents.</p> <p>(3) The Tender Documents will include information regarding payments to the Concessionaire during the Concession Period.</p>
2.	<p>The Tender Committee is requested to provide the schedule for the Express Lanes opening. In addition, please confirm that the concessionaire's scope of work doesn't include the construction of the Express Lanes themselves.</p>	Section 1.2.1 (Project Overview) to the Invitation	<p>(1) The Phases of the Project, including the schedule for opening of the Express Lanes will be published in the Tender Documents;</p> <p>(2) As mentioned in section 1.2.1 to the Invitation, the construction of the Lanes isn't part of the concessionaire's scope of work.</p>

3.	The Tender Committee is requested to confirm that the use of the Express Lanes will be toll-free for HOV users.	Section 1.2 (Project Overview) to the Invitation.	Confirmed. further information will be detailed in the Tender Selection Stage.
4.	Among the Segments of the Express Lanes Array mentioned in section 1.4 of the Invitation is the "Tel Aviv Express Lane" in which checkpoints for HOV users are located at the ITC site. The Tender Committee is requested to clarify whether this will be similar in the "Express Lanes - Highway 5" project.	Section 1.2 (Project Overview) to the Invitation.	The relevant information regarding the location of gates for HOV users will be included in the Tender Documents. However, please note that the project will be based on free-flow tolling, all as detailed in the Tender Selection Stage.
5.	The Tender Committee is requested to clarify if there is a maximum number of participants to be announced as Eligible Participants.	Sections 2.2.3 and 10.4 (Announcement of Eligible Participants) to the Invitation.	Any participant that the Tender Committee deemed to have successfully demonstrated compliance with the requirements of the Pre-Qualification Documents, will be announced as an Eligible Participant.
6.	The Tender Committee is requested to clarify whether it will publish the Tender Documents before the announcement of the Eligible Participants.	Section 2.4 (The Tender Selection Stage and Expected Future Requirements).	The Tender Committee will publish the Tender Documents after the announcement of the Eligible Participants.
7.		Section 4.11 (Security and Foreign Affair	Please see the amendments to the referenced section, as detailed below in item 2 of Part B.

		Considerations) to the Invitation.	
8.	The Tender Committee is kindly requested to provide information regarding the documents required for demonstration of compliance with Sections 5.1 (Civil Engineering Experience) and 5.2 (Bus Operation Experience).	Sections 5.1 (Civil Engineering Experience) and 5.2 (Bus Operation Experience) to the Invitation.	Without derogating of the generality of any other provisions of the Invitation, please refer to Section 5.1.4 and Section 5.2.3 to the Invitation for information regarding the Form of Submission of Experience Providers.
9.	The Tender Committee is requested to confirm that for the purpose of meeting the professional requirements stipulated in section 5.1 of the invitation, the Participant, or an Experience Provider on its behalf, may present a relevant project or an independent functional part thereof or demonstrated works (the " relevant works ") (as applicable), which have Commenced after January 1, 2012, and were Completed by the Pre-Qualification submission date ("the relevant period "), even if those relevant works were part of a project which has Commenced before the start of	Section 5.1 (Civil Engineering Experience) to the Invitation.	Please refer to the definition of the terms " Construction ", " Commencement " and " Completion ", as set forth in Section 5.1.3.2 to the Invitation. Please note the amendments made in sub-sections 5.1.1-5.1.3, regarding the commencement date, as detailed below in item 3 of Part B.

	the relevant period <i>and/or</i> will be completed after that.		
10.	The Tender Committee is hereby requested to confirm that a railway project is a project that complies with the definition of a "Road Infrastructure Project".	Section 5.1.1 (Transportation Infrastructure Project Experience) to the Invitation.	Please note the amendments made in sub-section 5.1.1, as detailed below in item 4 of Part B. In addition, please note the amended Pre-Qualification Form "7" (Civil Engineering Experience), attached to this Addendum and Clarification Letter as <u>Appendix 1</u> .
11.	The Tender Committed is kindly requested to confirm that the required experience under Section 5.1.2 of the Invitation can be demonstrated through more than one (1) project, with a cumulative area of 20,000 square meters, while at least one (1) of such projects includes a bridge in an area of at least 3,000 square meters.	Section 5.1.2 (Bridging Works Experience) to the Invitation.	As set forth in Section 5.1.2, the requirement relates to Bridges in a cumulative aggregated area of at least 20,000 square meters, subject to the requirements of sections 5.1.2.1-5.1.2.2. Accordingly, no amendments to the section are required.
12.	The Tender Committed is kindly requested to confirm that the requirements of subsections 5.1.3.1 and 5.1.3.2 of the Invitation may be demonstrated by several projects, while at least one (1) of which is a multi-level carpark project and the other is a building for industrial, public, or commercial use in an area of at	Section 5.1.3 (Construction Experience) to the Invitation.	The request is confirmed.

	least twenty thousand (20,000) square meters.		
13.	The Tender Committee is kindly requested to reduce the required experience under Section 5.1.3 to the Invitation from one thousand (1,000) parking spaces to nine hundred (900) parking spaces.	Section 5.1.3 (Construction Experience) to the Invitation.	Please note the amendments made in sub-section 5.1.3.1, as detailed below in item 5 of Part B.
14.	The Tender Committee is kindly requested to confirm that the required experience under Section 5.1.3 to the Invitation can be presented in one (1) or more projects, provided that at least one (1) project will have Four hundred fifty (450) parking spaces or more.	Section 5.1.3 (Construction Experience) to the Invitation.	The request is rejected.
15.	The Tender Committee is kindly requested to clarify whether official documents, which are not in English nor Hebrew, can be authenticated by an Israeli notary or whether an apostille certificate is needed.	Section 9.3 (Language of the Pre-Qualification Submission) to the Invitation.	To the extent that the translation is certified by an Israeli notary public, apostille certificate is not required. The apostille certification shall be required only with respect to the certification of a foreign notary public.
16.	The Tender Committee is requested to amend the reference error in the referenced (heading) Pre-Qualification Forms.	Pre-Qualification Form "9" (Financial Pre-Qualification Requirements Compliance) and Pre-Qualification Form "9" – Annex A	The PQ form shall be amended in a future addendum.

		(Financial Statements).	
17.	The Tender Committee is kindly requested to approve that Eligible Participants, who wish to implement an Automatic parking system within their bid submission, will be allowed to present the APS Expert, only after being selected as a Successful Bidder.	Annex 1 (Automatic Parking Systems Expert) Section 2.1.	The Tender Committee has decided to reject the request. No amendments to the Invitation Documents were made.
18.		Annex 1 (Automatic Parking System Expert) Section 2.1.1 and Section 2.1.2	Please see the amendments to the referenced sections, as detailed below in item 6 of Part B.
19.	Annex 1 (Automatic Parking Systems Expert) provides that Eligible Participants who wish to propose the implementation of an APS within their bid submission shall be required to present during the Tender Selection Stage an APS Expert who has relevant experience in Design, Installation, and Maintenance of Automatic Parking System (all as set in section 2.1). to the best of our knowledge, the common practice around the world regarding APS is that maintenance services are mostly	Annex 1 (Automatic Parking Systems Expert) Section 2.1.3.	The Tender Committee has decided to accept the request. Please refer to the Amended Section, as detailed below in item 7 of Part B.

	provided by local contractors, rather than by entities responsible for the design and installation of such systems. Considering the above, the Tender Committee is hereby requested to delete the requirement under section 2.1.3 to Annex 1 (Automatic Parking Systems Expert).		
20.	the Tender Committee is kindly asked to publish in Annex 2 (Advisors to the Tender Committee) the names of the advisors in Hebrew, with a reference to the Bn number.	Annex 2 (Advisors to the Tender Committee).	The Tender Committee has decided to accept the request. Please note the Amended Annex 2 (Advisors to the Tender Committee), attached to this Addendum and Clarification Letter as <u>Appendix 2.</u>
21.		Annex 2 (Advisors to the Tender Committee).	The Tender Committee has decided to reject a request to allow the participation of V.S. Civil Engineering Ltd (V.S) as a consultant to a Participant in relation to the Project. The Tender Committee's decision stems from the fact that V.S is Controlled by the entity serving as the head of the committee advising the National Outline Plan 47 (the statutory framework of the Project), and therefore such engagement may create a potential for a conflict of interest.
22.	The Tender Committee is kindly requested to publish the evaluation criteria for the		The evaluation criteria will be included in the Tender Documents.

	selection of the Successful Bidder.		
23.	The Tender Committee is requested to provide information regarding the payments entitlement during the Concession Period. Please refer to whether such payments are derived from fixed Periodic Payments or Toll Revenue payments collected from the users of the "Express Lanes".		Information regarding payments to the Concessionaire during the Concession Period will be included in the Tender Documents.

4.	ITB, Section 5.1.1 (Transportation Infrastructure Project Experience).	<p>5.1.1. Transportation Infrastructure Project Experience</p> <p>Construction, as a Lead Contractor, during the period commencing on 1 January 2012<u>2007</u> and ending on the Pre-Qualification Submission Date, of <u>either</u>:</p> <p><u>(a)</u> Road Infrastructure Project/s, in a total aggregated Contract Value of at least two hundred million (200,000,000) NIS. The experience under this Section may be demonstrated through one (1) or more projects provided however that:</p> <p>5.1.1.1. the Contract Value of at least one (1) Road Infrastructure Project is one hundred and fifty million (150,000,000) NIS or higher <u>and the scope of such project included at least one of the following elements: <u>tunneling works, bridging works or the construction of interchanges;</u></u></p> <p>5.1.1.2. the Contract Value of each Road Infrastructure Project is at least twenty million (20,000,000) NIS.</p> <p>For the purpose of this section: “Road Infrastructure Project” shall mean a project Constructed by the demonstrating entity under one or several construction agreements, and which meet all the following requirements: (a) the project was for the Construction of at least two (2) way double lane road with a</p>

minimum design speed of 90 kmph which is a national highway, an intercity road or a suburban highway; and

~~(b) the scope of the project included at least one of the following elements: tunneling works, bridging works or the construction of interchange/s.~~

or

(b) The Construction of Both:

5.1.1.3. Railway Infrastructure Project in a total aggregated Contract Value of at least One hundred and fifty million (150,000,000) NIS; and

5.1.1.4. At least one (1) road in a total aggregated Contract Value of at least seventy million (70,000,000) NIS.

[...]

For the purpose of this section: “**Railway Infrastructure Project**” shall mean a project Constructed by the demonstrating entity under one (1) or several construction agreements and which meets all the following requirements:

(a) The project was for the Construction of a railway substructure works;

(b) It is clarified that only substructure elements of the demonstrated project shall be considered in the evaluation of the demonstrated project for the purpose of compliance with the Pre-Qualification Requirements.

		<p><u>Accordingly, the construction of railway superstructure, its systems or buildings, and stations construction works, and the value thereof, if included in the demonstrated project, shall not be taken into account for the purpose of the Pre-Qualification Requirement under Section 5.1.1.3.</u></p> <p><u>The following works, if included in the demonstrated project, shall not be taken into account for the purpose of the Pre-Qualification Requirement under Section 5.1.1.4:</u></p> <p><u>(i) the construction of carparks, airport runways, airfields, or concrete works for sea ports, including platforms; and/or,</u></p> <p><u>(ii) the construction of any buildings</u></p>
5.	ITB, Section 5.1.3.1 (Construction Experience).	5.1.3.1. at least one (1) multi-level carpark, with at least one thousand (1,000) <u>nine hundred (900)</u> parking spaces; and
6.	Annex 1 (Automatic Parking Systems Expert) Sections 2.1.1 and 2.1.2	<p>2.1.1. Design and Installation of at least one (1) automated Stacker Car Parking System which contain seven hundred (700) parking spaces or more and which was Completed as of <u>between 1.1.2012 and the Pre-Qualification Submission Date; or</u></p> <p>2.1.2. Design and Installation of at least three (3) automated Stacker Car Parks which contain at least four hundred (400) parking spaces each, which were Completed as of <u>between 1.1.2012 and the Pre-Qualification Submission Date.</u></p>

7.	Annex 1 (Automatic Parking Systems Expert) Sections 2.1.2 and 2.2.	<p>2.1.2. Design and Installation of at least three (3) automated Stacker Car Parks which contain at least four hundred (400) parking spaces each, which were Completed as of 1.1.2012.</p> <p>2.1.3 The APS expert provided maintenance services with respect to at least one (1) of the automated Stacker car parking systems presented for the purpose of Section 2.1.1 or 02.1.2 above, and such maintenance services were provided for a continuous period of at least two (2) years.</p> <p>2.2. For the purpose of Section 2.1:</p> <p>[...]</p> <p>“Maintenance Services”: Shall mean to maintain an asset in a specific condition, by preventative, repair and replacement measures, so that it is able to perform a specific service in accordance with its intended use.</p>

PRE-QUALIFICATION FORM “7”

CIVIL ENGINEERING EXPERIENCE

*(To be completed by each Entity demonstrating compliance with the Pre-Qualification Requirement specified in Section 5.1 (Civil Engineering Experience) of the Invitation)
(Capitalized terms shall have the meaning ascribed to them in the Invitation)*

I, _____, the undersigned, am making this affidavit on behalf of _____
(name of Experience Provider):

Each Experience Provider is required to complete one (1) of the following alternatives (as applicable):

A. Transportation Infrastructure Project Experience

- For demonstrating compliance with Civil Engineering Experience Requirements in accordance with Section 5.1.1(a), please tick confirm and fill up all the requested information listed in **Option A** below.
- For demonstrating compliance with Civil Engineering Experience Requirements in accordance with Section 5.1.1(b), please tick confirm and fill up all the requested information listed in **Option B** below.
