Re: Invitation for Pre-Qualification No. 05/2023 in relation to Participation in a Tender for the Finance, Design, Construction, Operation and Maintenance of a Solid Waste-to-Energy Facility (the "Invitation")

Clarifications and Addendum No. 7

1. Pursuant to the Invitation issued on May 11, 2023 and in accordance with the provisions thereof, the Participants are hereby informed of the clarifications and Addenda to the Invitation attached as **Annex A** hereto.
2. **The attention of all Participants is drawn to the postponement of the Pre-Qualification Submission Date to September 26, 2023.**
3. The issuance of this Addendum does not derogate from any of the Tender Committee's rights and prerogatives under the Invitation or Law.
4. All capitalized terms used and not defined herein shall have the meaning ascribed to such terms in the Pre-Qualification Documents.

Respectfully Yours,

Annex A

Pre-Qualification Documents; Clarifications			
Item No.	Q/A	Questions and Answers	Reference
1.		<p>After further consideration of the clarification request in clause 1 of Addendum 6, the Tender Committee hereby clarifies that WtE Plants in which the WtE Experience Provider was not responsible for the design, installation and testing of the electricity generation components may be presented for purpose of demonstrating compliance with Section 4.2 of the Invitation.</p> <p>-----</p> <p>The attention of all Participants is drawn to the following amendments to the definition of the term “WtE Segment“ to the Invitation (deletions are “struck-through“):</p> <p>“WtE Segment“ Shall mean the technology-mechanical related part of a WtE project, including feeding, firing, boilers, energy generation and flue gas treatment systems.</p>	Addendum 6, clause 1
2.	Q:	<p>The Tender Committee was requested to clarify whether each of the Boiler Experience Provider, Grate Experience Provider and Sorting Experience Provider may present projects in which the Grate, Boiler or sorting systems (as applicable) were manufactured by other equipment suppliers rather than the Experience Provider itself.</p>	Section 1.1 (Definitions) to the Invitation – Boiler Experience Provider; Grate

Pre-Qualification Documents; Clarifications			
Item No.	Q/A	Questions and Answers	Reference
	A:	<p>(i) The Boiler Experience Provider and the Grate Experience Provider, as Equipment Suppliers, may only present projects in which they were directly accountable and assumed the overall responsibility for supply (including responsibility for manufacturing) of the Boiler or Grate (as applicable) (notwithstanding manufacturing and/or supply of certain components of the Boiler or Grate by other suppliers). For the removal of doubt, an entity which assumed an overall responsibility for design and construction of a WtE Plant and engaged a separate entity for the supply of the Boiler or Grate, cannot present such reference project for demonstrating compliance with the Professional Pre-Qualification Requirements specified in Section 4.3 or Section 4.4 of the Invitation, as applicable.</p> <p>(ii) The Sorting Experience Provider will be allowed to present experience in Sorting Facilities with mechanical systems manufactured by generic equipment suppliers.</p> <p>-----</p> <p>The attention of all Participants is drawn to the following amendments to Section 1.1 of Annex "4" (Expected Requirements) to the Invitation (additions are underlined and deletions are "struck-through"):</p> <p>"1.1 It is expected that the Tender Documents shall include a requirement for bidders to submit to the Tender Committee, for its approval, within ninety (90) days from publication of the Tender Documents, a proposed Entity which shall be responsible for providing the Sorting Facility for the Project, and which has the following experience:</p> <p>During the fifteen (15) year period prior to the publication of the Tender, it has acted as an Equipment Supplier <u>was responsible for the design, testing and installation on site of complete mechanical systems for</u> at least two (2) Sorting Facilities, each with a total aggregate input capacity of not less than 35 tons per hour, and each of which were continuously operated for a period of not less than two (2) years from its Completion."</p>	Experience Provider; Sorting Experience Provider
