

DETAILED SKETCH

2 X D RINGS, BUILT ON STRETCH SUSPENDER

3CM

RUBBER molle strap
4 TOP STITCHES, 2.5 CM WIDTH

adjustable on ONE side

STAINLESS STILL BUCKLE IN MATT BLACK

The sketch shows a black tactical belt with a central stainless steel buckle. On the left side, there are two D-rings built into a stretch suspender. A rubber molle strap with four top stitches and a 2.5 cm width is attached to the belt. A 3 cm wide section is also indicated. The buckle is adjustable on one side. The entire belt is made of a stretchable material.
