RE: PACS Service

Dear Mr. Garve,

Sectra have a long history of providing leading imaging IT solutions to healthcare providers worldwide. The solutions are in many areas classified as 'medical devices' and therefore followed with a rigid framework of tests, instructions, trainings and formal annual certifications of staff that manage the solutions.

In response to Your request for information regarding Sectra's Israeli distributor Medifar Healthcare Solutions, I confirm the following service engineers:

- Mr. Avi Shahaar
- Mr. Boaz Benbenishti

are fully certified by Sectra (level 1 and level 2) to provide support for Sectra Imaging IT Solution products including:

- Sectra Radiology PACS
- Sectra Digital Pathology PACS
- Sectra Breast Imaging
- Sectra Enterprise Platform

Medifar Healthcare Solutions is the only distributor authorized of selling and certified for supporting Sectra's complete Enterprise Imaging portfolio (<https://medical.sectra.com/>) in Israel.
