

## **Israel Ministry of Communications**

### **Public Tender #2021/021 – Consulting Services Regarding Charges for Fixed Telecom Network Elements**

1. The Israel Ministry of Communications hereby announces that it is soliciting bids in a public tender, to select a provider of Consulting Services Regarding Charges for Fixed Telecom Network Elements, to serve a number of different regulatory needs.
2. The services to be provided include various phases of the construction of an economic/engineering model, the details of which are laid out in the project description document attached to the public tender.
3. The tender documents may be obtained from the Tenders Area on the website of the Government Procurement Agency:  
  
<https://www.mr.gov.il/OfficesTenders/Pages/SearchOfficeTenders.aspx>
4. Clarification questions may be submitted until 13:00 on Thursday, January 13, 2022.
5. Bids must be submitted by 13:00 on Sunday, January 27, 2022 to the tenders box at the Ministry of Communications, 23 Jaffa St., Jerusalem, Israel 91999, or via email according to the procedure set out in the tender documents.
6. Ms. Elian Rubanovich serves as the contact person for this tender, and may be reached at [rubane@moc.gov.il](mailto:rubane@moc.gov.il).
7. The contract under the tender is for a period of two years. The Ministry of Communications may, at its sole discretion, extend it for an additional period of three years.
8. Bidders must have relevant extensive international experience of at least 5 years in total in the last 10 years, which shall amount to total of at least 3,000 hours of consultation work, in no less than 2 countries, in the field of cost modelling of telecommunications networks, relevant to the actual work requirements. In addition, the bidders' proposed experts must have carried out collectively at least 1,500 hours of relevant consulting work in no less than two countries. In addition, the bidder's proposed experts must hold at least a graduate degree (Masters Degree or equivalent) in the field of

economics/business administration/accounting and/or engineering, as appropriate.

9. Potential bidders are made aware of the procedure outlined in the tender documents, which they may avail themselves of to receive updates and answers to clarification questions.

**In any case of conflict or lack of consistency between the text of this notice and the tender documents, the text of the tender documents shall prevail.**

**Any change to the tender documents will be published on the website of the Israel Government Procurement Agency**
