**Re: Central Tender No. 01-2022 on the Subject of Adding Services to the
Government Digital Marketplace**

Additional Update regarding the Tender Dates

Greetings,

1. On the 16th of June 2022, the Government Procurement Administration (hereinafter: "**the Tender Administrator**") published Central Tender 01-2022 on the Subject of Adding Services to the Government Digital Marketplace (hereinafter: "**the Tender**"), as part of the "Nimbus Project" (tier 5 of the project).
2. By the deadline for submitting clarification questions, over 1,000 question and comments were received, from dozens of different entities. The questions and comments were reviewed by the Tender Administrator. Following the examination and subsequent conclusions, the Tender documents were updated. We are currently working on preparing the documents for publication, as well as translating the updated tender documents, the questions and comments received and the answers to them to English.
3. In light of this, the publication of the updated tender documents is expected to take several more days.
4. Before the updated documents are published, we wish to inform you of an additional update to the tender schedule:
 - 4.1. An additional bidders' conferences (in Hebrew and English), will be held on **October the 19th, 2022.**
 - 4.1.1. The conference in the **Hebrew** language will take place at 10:00 (Israel Standard Time).
 - 4.1.2. The conference in the **English** language will take place at 18:00 (Israel Standard Time).

Instructions on how to register for the conferences will be published separately.

- 4.2. In addition, the Tender Administrator will allow another round of clarification questions and comments. This round will be limited, and specific instructions on the subject will be published with the publication of the updated tender documents. The deadline for submitting additional clarification questions and comments is set for **October 27th, 2022**.
- 4.3. **The new Closing Date is set for December 15, 2022 at 17:00 (Israel Standard Time).**

Respectfully,

Nimbus project team
