Tender 01-2022 for the Addition of Services to the Cloud Digital Marketplace – Update regarding Technical issues with the Online Bidding System – May 4, 2023

Greetings,

We are currently experiencing issues with the online bidding system for the tender.

This outage might prevent you from submitting your bid to the tender.

Our support team is actively working to resolve this issue as soon as possible.

Please try to re-submit your proposal to the tender later.

We remind you, that if you encounter any other technical problems, technical assistance is available to you Sunday-Thursday between the hours 8:00-19:00 (Israel Standard Time). You can contact the technical assistance center by phone: 1299 (for international calls, please dial: +972-86863100), or by email: 1299@mail.gov.il.

Any other issues can be referred to the tender administrator by email:

Nimbus5@mof.gov.il.

Respectfully,

Hila Gigi
Nimbus Team Leader
Government Procurement Administration
