

"Please note that a petition has been filed against the Israel Tax Authority in the Jerusalem Administrative Court (AP 19532-11-24).

As part of this petition, the court has been requested to instruct the Tax Authority to engage with the Petitioner as a sole supplier, exempt from a tender process, for the use of a platform designed to calculate the tax on capital gains from the realization of virtual assets.

The Tax Authority will act in accordance with the court's rulings in this case."
