Notice Pursuant to EU Council Regulations regarding Export Controls:

GOOD AND SERVICES PROVIDED BY R-BIOPHARM AG MAY BE SUBJECT TO RE-EXPORT CONTROLS. Multiple EU regulations prohibit the re-export or transfer of goods listed in such regulations into or for use in the Russian Federation or the Republic of Belarus. For purposes of Export Controls, Sale or delivery of any goods or services by R-Biopharm AG does not imply consent or permission to re-export such goods or services, nor the included know-how or intellectual property, and such goods and services are sold upon the condition that purchasers familiarize themselves with all applicable EU Regulations, enforce compliance throughout their commercial chain, and that such goods and services will not be transferred or re-sold without incorporating contractual re-export restrictions compliant with the then current EU Regulations. R-Biopharm will report any violations, holds the purchaser responsible for any direct or indirect damages or losses, and reserves the right to void or cancel any shipments or contracts if violations of EU re-export prohibitions are suspected or shown.

While our distributor, they may market, promote, and sell the listed Products in the Territory under their own name and account, and participate in all tenders as stated above.

Unless revoked, this letter is valid for 12 months from 27.01.2026

All prior Authorization Letters are withdrawn.
