## "Nimbus Project"

Re: **Central Tender 01-2022 for the Addition of Services to the Government Digital Marketplace Update on Fields that are in Focus**

1. We wish to inform you that in accordance with the decision of the Central Tendering Committee, the Tender Administrator may publish on the Tender Page of the central tender for the addition of third-party services to the Government Digital Marketplace (hereinafter: the "**Tender**"), fields and service types that are currently in focus, and to invite manufacturers that have a solution or a service in these fields to contact the Tender Administrator to examine the subject.
2. The Tender Administrator may meet with manufacturers at his own discretion, if he identifies that they have a relevant solution/service in fields or service types that are in focus.
3. As part of the preparations for the Closing Date of the fourth publication of the Tender, the Tender Administrator updates on several fields that are currently in focus:
  - 3.1. DevOps.
  - 3.2. CI/CD.
4. Manufacturers which offer solutions/services in these fields may contact the Tender Administrator at the following address: [nimbus5@mof.gov.il](mailto:nimbus5@mof.gov.il).

Respectfully,

Nimbus Team  
Government Procurement Administration
